# Security/Compartmentation

December 1964

Report of Committee on Special Compartmentation, set up with OS and OCS joint membership & covered/special compartmentation ~~xxxxx~~ not only the CS data.

The Committee determined that all OCS equipment operators would be authorized to process all jobs which are run on the machines they operate, and in view of the physical and procedural modifications within the OCS Tape Vault recommended by the Committee, that no additional locking of tapes (whether of normal or special compartmentation material) within the vault would be required.

STAT .

[redacted] in 23 December 1964 memo to Chief, Physical Security Div, OS, requested that OS determine that the Committee findings and recommended procedures be applied across the board to OCS handling of all applications designated by the 26 March 1964~~x~~ paper, approved by ExDir-Compt, as requiring special compartmentation protection.
